

PRIVATE EXPERIENCE GUIDE

Spark Scent Collective is an experiential fragrance and gathering house where scent, ritual, and intention come together.

Our space feels like stepping into an antique apothecary hidden along a gilded Parisian street, where bespoke fragrance experiences, a full cocktail bar, and artfully curated grazing tables converge in the heart of downtown Elmhurst.

When celebrating a milestone, bringing a team together, or simply gathering, choosing to host a Spark Experience elevates the occasion.

You are inviting guests to create, savor, and be part of a collective, all while kindling moments that linger long after the last candle is poured.
